

High School summer camp is going to be amazing this year, we are taking all the great things about last years camp and expanding on them. We will be camping on the beach at Silverstrand state park right off the water, it so great to wake up every day and see the ocean and to be right on the beach. Each day we will be headed to a different beach (Coronado, Mission) as well as hanging out at our camp ground for a day. There will be plenty of competition as each night one group will be winning a nights stay in the 5 star luxury resort (Lowe's Coronado Bay Resort) just across the bay from the camp ground. We will be meeting each morning in a similar style to last year, our staff will be teaching on 7 to 10 different topics (everything from "How to study the Word of God", to "Parent relationships", "Dating well in a H.S. World" etc...) and allowing the students to choose each day which ones they would like to be apart of. During the evenings we are meeting at a nearby church in Imperial Beach for worship and teaching. Paul Dabdoub will be teaching to us and presenting the Gospel to the students in a relevant and clear way. Paul is passionate about seeing students give their lives to Christ and to live for Him, not just to raise their hands in a service, but to truly live their lives for God. We are so excited to have Paul with us and we are praying that God would do incredible things through him and the rest of the staff. We will be leaving on Monday morning at 10:30am and be back late Friday night (We are going to Knotts Berry Farm on Friday and will be leaving their around 3:30 which should get us back to Phoenix by 11:00). Students do need to bring \$ for 5 meals (Approximately \$45-50) would be great as well as sleeping bags, a Bible, towels, and toiletries. We are taking 15 passenger vans to this years camp to cut cost and to allow for students to really connect with their staff and with each other in their new groups. This is going to be a great week and we are excited to have you be apart of it with us if you have any questions call the church office at 480-348-9191 ext 203.
